Renoir's
Colors

THE J. PAUL GETTY MUSEUM
LOS ANGELES

Pink

A pink cheek

Pink like Coco's cheeks
when he plays with tin soldiers.
Pink like the ribbon in his long hair.
Coco is not a girl, though;
he is Renoir's little boy.

Red

A red strawberry

Red like four strawberries on a white tablecloth.
Red like a whole dish filled with delicious strawberries.
A little sugar? A few drops of lemon?
Do you want to bite into one?
